

WORSHIP TEAM MINUTES

Tuesday December 12, 2017

Attending: Joyce Anderson, Debbie Brown, Riley Brown, Marge Christiansen, Jess Edelbrock, Jane Hart, Judy Weisenborn, Jennifer Wood, Rev. Sherry Willerton

The meeting was opened with prayer by Joyce.

EVALUATION & COMMENTS:

- Advent – All good responses.
- Hanging of Greens: We could have used more help this year with hanging the decorations so will make sure enough helpers are available next year.
Also next year, plan the entire service around hanging the greens and include more congregational participation in each segment.
- The Angel Tree was not visible enough. Next year, place the tree on a small table (Joyce's possibly) under the bulletin board.

MINISTER'S UPDATE & NEW BUSINESS:

- Audio on the videos shown during sermons need to be louder. Speaker may need to be replaced in 2018 if possible
- Christmas Eve Service:
 1. Candles and discs: Jennifer will help Joyce prepare the candles after the morning service on December 24th.
Kids' candles: We only have 8 glow sticks for the children so Joyce will try to purchase more.
 2. Steve will handle dimming of the lights:
We want the sanctuary to be as dim as possible throughout the entire service.
 - * Narthex ceiling light on before service; turn off at start.
 - * Narthex shelf lights stay on.
 - * NO FAN LIGHTS ON.
 - * Communion table lights, stained glass lights and top hat lights on, slightly dimmed during service and then dimmed to off during final hymn.
 - *Jess will use her piano lamp.
- Joyce & Wayne will change cross drape to white cloth, add white banner on stand and white cloth on communion table and add Baby Jesus to nativity before Sunday, December 31.

- We will take down the Greens on Saturday, Jan. 6 at 9:30 a.m. Royce and Sherry offered to help and the rest of the team will let Joyce know beforehand if they will be available.

Music Update: Choir is doing very well! Choir will sing on both services on Christmas Eve. We will usually sing all verses of Christmas hymns even though they are sometimes lengthy.

Meeting was closed with prayer by Debbie.

Next meeting: Tuesday, January 9, 2018, 9:30 a.m.
