Pastor Sherry's Sharing's:

*We Are Church*

*As we have opportunity, let us do good to all people,  
especially to those who belong to the family of believers.*

- Galatians 6:10 (NIV)

God wants the church to be a family who cares for one another at all times – when all is going well and when it isn't. We can care for one another by staying in touch by phone, by text message, or by email. We can care for one another by thanking the people around us for the blessings they bring to our lives and by showing concern for what they may be going through. Let's start a card shower not just for our shut-ins (though they may need it most) but for everyone in the church reminding they are a member of our church family.

We Are Church!  
Pastor Sherry

## CHECK OUT OUR CHURCH SIGN

A special thank you to Donna Cecchi for researching and ordering the attachment to our sign and to Denis McGeough for attaching it. Be sure to thank them!

## WE ARE CHURCH

There are many ways we can be a church family in this time of separation. As I mentioned in my article, we can send cards.

Also, we could start a chain. This could almost be like the game telephone. It could be a Prayer, a Devotional, a Joke or whatever. It would need to be short so it can be remembered and repeated. Or we might each one make up our own as we pass it along.

A possibility would be playing a game while on the phone or skype – providing you both own the same game.

If you have other ideas, please let's hear them.

## Challenge

***Take a funny selfie of you and whoever's with you while you are basically home bound and send it in for the next Solar Flare. Let us see what you are doing for fun!***
